**REQUEST FOR CORRECTED CERTIFICATE OF CORRECTION**

Dear Sir or Madam:

Upon reviewing the above-referenced patent, Patentee noted an error that was incurred through the fault of the Patent and Trademark Office, and was clearly disclosed in the records of the Office. Accordingly, on October 25, 2005, Patentee requested that a Certificate of Correction be issued pursuant to 37 C.F.R. § 1.322. Patentee submitted the text of the requested correction on a Certificate of Correction form PTO/SB/44. The text of the requested correction was as follows:

In the claims,  
at claim 4, line 1, delete the claim reference numeral "3" and insert --1--.

Therefore, the location of the error was identified by claim and line number, as permitted under M.P.E.P. § 1480.

A Certificate of Correction was issued on January 31, 2006, to correct the error in the patent. However, the Certificate of Correction contained a mistake. Rather than identifying the location of the error as "Claim 4, line 1," it identified the location of the error as "Column 4, line 1."

Accordingly, Patentee herewith requests a corrected Certificate of Correction, in which the word "Column" in the Certificate issued on January 31, 2006, is replaced by the word "Claim." Enclosed is a copy of the issued Certificate of Correction, with the requested correction marked in red ink. Specifically, the word "Column" is crossed out, and replaced by the word "Claim." Patentee respectfully solicits the granting of the requested corrected Certificate of Correction.

It is believed that no fee is necessitated by this correspondence. If this is incorrect, please charge any required fees or credit any overpayment to Deposit Account 50-1212 (24,576-03US).

Respectfully submitted,  
John Potter,  
by his attorneys,
